Subpart D—Special (Occupational) Taxes

§ 479.31 Liability for tax.

(a) *General.* Every person who engages in the business of importing, manufacturing, or dealing in (including pawnbrokers) firearms in the United States shall pay a special (occupational) tax at a rate specified by § 479.32. The tax shall be paid on or before the date of commencing the taxable business, and thereafter every year on or before July 1. Special (occupational) tax shall not be prorated. The tax shall be computed for the entire tax year (July 1 through June 30), regardless of the portion of the year during which the taxpayer engages in business. Persons commencing business at any time after July 1 in any year are liable for the special (occupational) tax for the entire tax year.

(b) *Each place of business taxable.* An importer, manufacturer, or dealer in firearms incurs special tax liability at each place of business where an occupation subject to special tax is conducted. A place of business means the entire office, plant or area of the business in any one location under the same proprietorship. Passageways, streets, highways, rail crossings, waterways, or partitions dividing the premises are not sufficient separation to require additional special tax, if the divisions of the premises are otherwise contiguous. See also §§ 479.38–479.39.

§ 479.32a Reduced rate of tax for small importers and manufacturers.

(a) *General.* Effective January 1, 1988, 26 U.S.C. 5801(b) provides for a reduced rate of special tax with respect to any importer or manufacturer whose gross receipts (for the most recent taxable year ending before the first day of the taxable period to which the special tax imposed by § 479.32 relates) are less than \$500,000. The rate of tax for such an importer or manufacturer is \$500 per year or fraction thereof. The “taxable year” to be used for determining gross receipts is the taxpayer’s income tax year. All gross receipts of the taxpayer

shall be included, not just the gross receipts of the business subject to special tax. Proprietors of new businesses that have not yet begun a taxable year, as well as proprietors of existing businesses that have not yet ended a taxable year, who commence a new activity subject to special tax, qualify for the reduced special (occupational) tax rate, unless the business is a member of a "controlled group"; in that case, the rules of paragraph (b) of this section shall apply.

(b) *Controlled group.* All persons treated as one taxpayer under 26 U.S.C. 5061(e)(3) shall be treated as one taxpayer for the purpose of determining gross receipts under paragraph (a) of this section. "Controlled group" means a controlled group of corporations, as defined in 26 U.S.C. 1563 and implementing regulations in 26 CFR 1.1563-1 through 1.1563-4, except that the words "at least 80 percent" shall be replaced by the words "more than 50 percent" in each place they appear in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a "controlled group of corporations" apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for the purpose of this section.

(c) *Short taxable year.* Gross receipts for any taxable year of less than 12 months shall be annualized by multiplying the gross receipts for the short period by 12 and dividing the result by the number of months in the short period, as required by 26 U.S.C. 448(c)(3).

(d) *Returns and allowances.* Gross receipts for any taxable year shall be reduced by returns and allowances made during that year under 26 U.S.C. 448(c)(3).

§ 479.33 Special exemption.

(a) Any person required to pay special (occupational) tax under this part shall be relieved from payment of that

tax if he establishes to the satisfaction of the Director that his business is conducted exclusively with, or on behalf of, the United States or any department, independent establishment, or agency thereof. The Director may relieve any person manufacturing firearms for or on behalf of the United States from compliance with any provision of this part in the conduct of the business with respect to such firearms.

(b) The exemption in this section may be obtained by filing with the Director an application, in letter form, setting out the manner in which the applicant conducts his business, the type of firearm to be manufactured, and proof satisfactory to the Director of the existence of the contract with the United States, department, independent establishment, or agency thereof, under which the applicant intends to operate.

§ 479.34 Special tax registration and return.

(a) *General.* Special tax shall be paid by return. The prescribed return is ATF Form 5630.7, Special Tax Registration and Return. Special tax returns, with payment of tax, shall be filed with ATF in accordance with instructions on the form. Properly completing, signing, and timely filing of a return (Form 5630.7) constitutes compliance with 26 U.S.C. 5802.

(b) *Preparation of ATF Form 5630.7.* All of the information called for on Form 5630.7 shall be provided, including:

- (1) The true name of the taxpayer.
- (2) The trade name(s) (if any) of the business(es) subject to special tax.
- (3) The employer identification number (see § 479.35).
- (4) The exact location of the place of business, by name and number of building or street, or if these do not exist, by some description in addition to the post office address. In the case of one return for two or more locations, the address to be shown shall be the taxpayer's principal place of business (or principal office, in the case of a corporate taxpayer).
- (5) The class(es) of special tax to which the taxpayer is subject.
- (6) Ownership and control information: That is, the name, position, and residence address of every owner of the
